When riders are put into groups, it is about the horse and rider as a combination. If you are bringing a different horse to a rally please contact Desrae before the rally so she can organise the groups accordingly.

D & D* riders that took their workbooks home need to bring them to this rally. The workbooks are to stay at the clubrooms for theory lessons at rallies.

Snapshot of May Rally with some of our equine members getting a visit from the Mark the dentist. Also a look at our new blue group

May rally report.

We were really lucky that the rain stopped for the day. The ground was very wet . This was why we put an extra ring on the top arena. So that made the arena a bit tight. It was great to see some new faces coming and trying our club for the day. and I look forward to seeing you at our June rally.

On a serious note, the last two rally's have been quiet unorganised. The committee works hard and put in lots of hours behind the scenes and the night before, epic to make sure jobs are sorted. But it cant be run by just a few.

For those of who you may not realise it, our committee has just changed with some new faces taking on new roles. This also means they have new requirements to learn with regards to their jobs. and it takes time to learn the ropes. As someone who works to arrange rally's it's is really important to let me know if your not coming or if you are bringing an extra horse, or perhaps you have a horse that you want to do flat lesson on but not jump. Please drop me a text or a call. I know each and every member, and I do notice when your not there. So if your not coming text me.

Set up is at 8.30am there are quiet a few people who are coming late , yes I can hear your reasons and I'm sure there all very valid some of our members have the same ones usually horse related But when your late its left to a select few, yep I hear ya it's the same at all clubs. Yes but it doesn't have to be. When your late someone else does your work load. When you don't ask what's involved in Rostered duties, or your late or you do the morning and you don't stay for packup . If your Rostered on your the first to arrive and the last to leave. Committee members are always the first to arrive and the last to leave and that's 12 months of the year. so if your on roster your jobs not done till the padlocks go on the sheds! Yes and they have kids to and it's a real shame that they don't gets to see them ride because there finishing your Rostered job , or they are setting up equipment while your brushing or unloading your horse.

Riders if you had a comp you would be on time or you would miss out. If your late to gear check you are going to have to wait for session 2 to be able to join in. We lost our fist lesson last rally and members were quiet sad they did not get to do that activity. Be fair to your fellow members lets get back on track.

And lastly after you finish your last riding class have a thought for your pony. That he or she has had a big day of riding doing 3hours work for you, many riders don't get to ride enough for there horses to be fit enough. So that's time for your horse to be able to have a rest . Not to keep riding around the grounds after the rally has finished.

Also just a reminder for parents to restrain from calling out from the sidelines or interrupting a lesson to instruct a member. Please visit the PCAV website for all rules and regulation relating to Pony Club. We all follow the PCAV hand book.
